The vision of AICTE is to empower faculty to achieve goals of Higher Education such as access, equity and quality. Council understands that there is a need of the day to train the young generation in skill sector and having faculty & technicians to be trained in their respective discipline.

The main objective of ATAL Academy is to plan and help in imparting quality technical education in the country and to support technical institutions in fostering research, innovation and entrepreneurship through training in various emerging areas.

It is pertinent to mention the World Book of Records London has appreciated and included AICTE Training and Learning (ATAL) Academy for conducting 1000 Online FDP's in Nine thrust areas being conducted in the year 2020-21 providing training to about One Lakh participants.

ABOUT TIRUCHIRAPPALLI:

From the pages of literature to the minds of historians, Trichy occupies a special place. Here's a look at all the things that our city can call its very own...

Trichy is a city of a million sounds and sights. From the picturesque banks of Cauvery to the grand old Trichinopoly cigars, from the natural wonder Rockfort to religious shrines aplenty, there's something for everyone who visits the city...

- ❖ **Rockfort:** A 3,800 million year old rock structure with a shrine on top is considered to be older than the Himalayas and is the pride of the city.
- ❖ **River Cauvery:** The town is on the banks of the River Cauvery making it one of the most fertile regions in the state.
- ❖ **Trichinopoly Cigar:** Winston Churchill has claimed to have a long standing affair with this; Sherlock Holmes has said to have mentioned it in his books and Trichinopoly is synonymous with Cigar in the Oxford Dictionary - that is how world famous the cigar of the region is.
- ❖ **Grand Anicut:** One of the oldest dam built around 2000 years is said to be a symbol of Dravidian engineering. Built by Karikala Cholan, it is used a model for building modern day architecture - probably one of the oldest used dams in the world.
- ❖ **Lady of Lourdes church:** A replica of the Lourdes Church in France is situated within St. Joseph's College compounds. Gothic architecture, intricately stained glass panels with its towering spire makes it remarkable of Indian craftsmanship.
- ❖ **Srirangam temple:** The biggest functioning Hindu temple in the world Srirangam, is the sacred amongst the Vaishnavites.
- ❖ **The Southern Railways:** Established in 1890 with its headquarters at the city, The Southern Railways played a prominent role during the British Raj.
- ❖ **Natharvalli Dargah:** It is the tomb of Baba Natharvalli and more than 1000 years old.

ABOUT THE DEPARTMENT:

The Department of Commerce was started in the year 1948, for offering the three-year B.Com degree course with the motive of inculcating professional ethics and competency in business and management. The B Com course has been offered in Shift-II since 1972. The department is very proud to have introduced and taught Card Punching, BASIC, COBAL and FORTRAN - the most popular computer languages as early as 1970s.

The Post Graduate course (M.Com) was started in 1988. Twenty of our staff hold M.Phil Degree, fourteen hold Ph.D Degree along with NET/SET and ten are recognized as Research Supervisors.

The department was elevated as the Research Department in 2003 and has produced 54 Ph.Ds. The department is the pioneer in the state in introducing courses on business ethics, computer languages and applications and accounting software. The department reached yet another milestone by launching ACCA, UK integrated B.Com Honours programme in 2020. The department prepares students to pursue professional courses such as CA, ICWA and ACS through feeder courses.

ABOUT THE PROGRAMME:

The heritage sector is a major and growing contributor to the global economy, employing increased numbers of skilled heritage managers.
